Nomination Forms

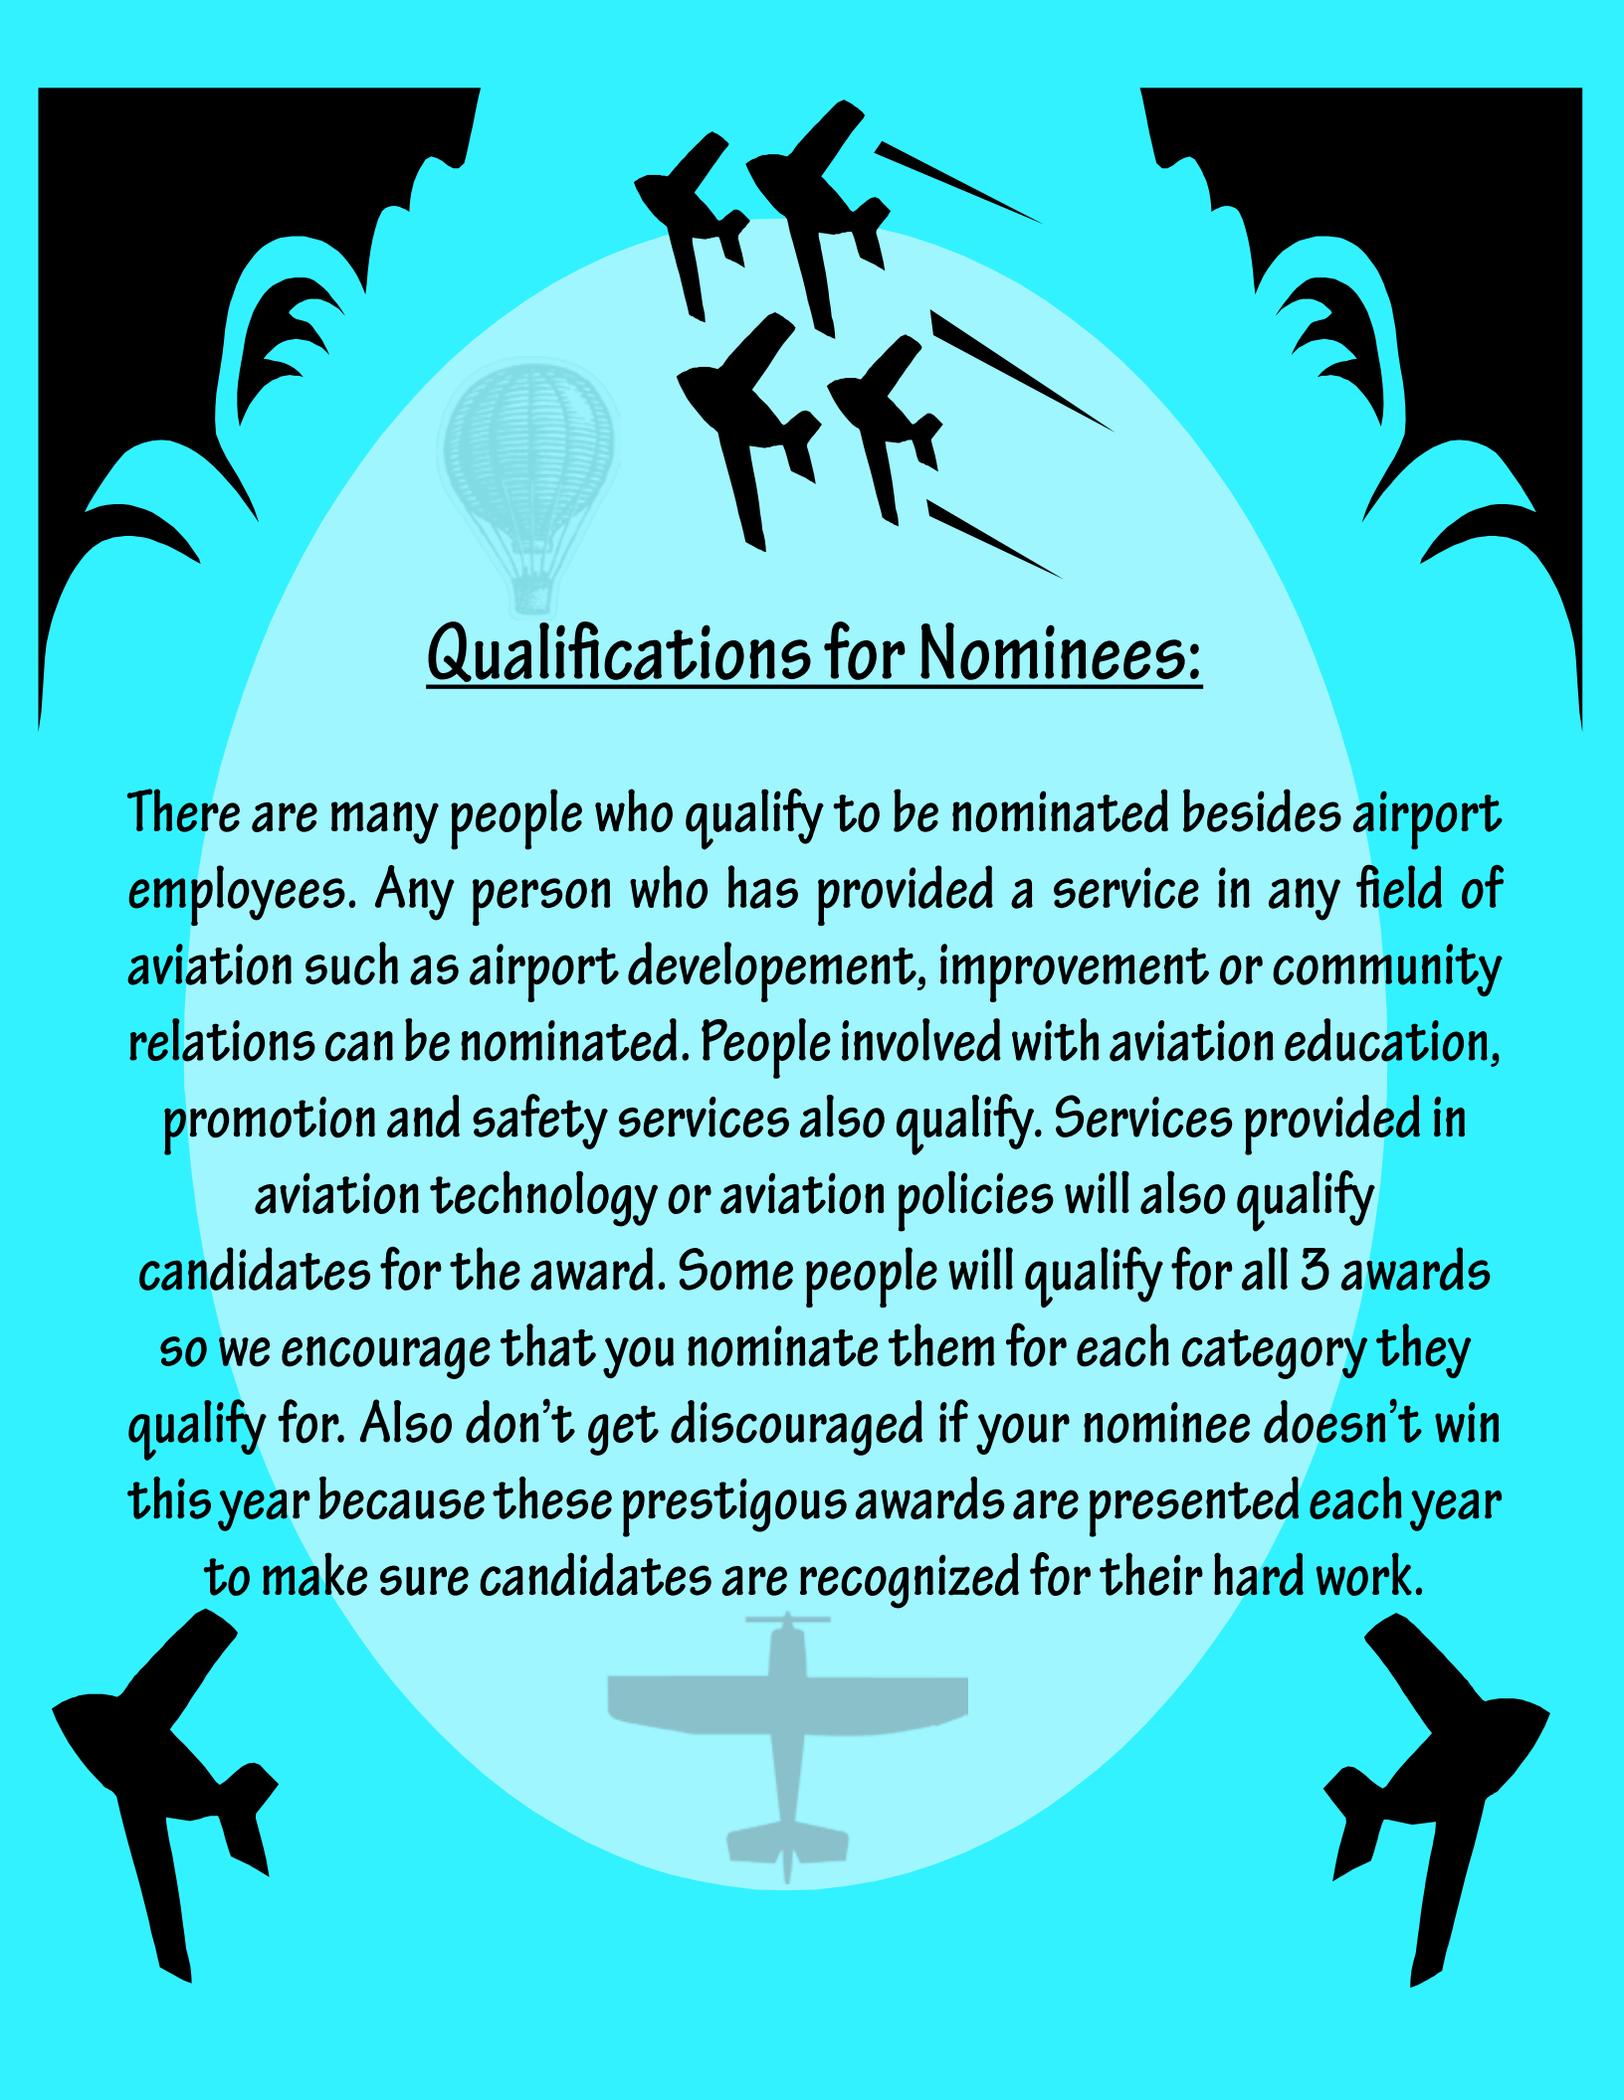

Airport Manager of the Year

Person of the Year

Lifetime Achievement Award

Qualifications for Nominees:

There are many people who qualify to be nominated besides airport employees. Any person who has provided a service in any field of aviation such as airport development, improvement or community relations can be nominated. People involved with aviation education, promotion and safety services also qualify. Services provided in aviation technology or aviation policies will also qualify candidates for the award. Some people will qualify for all 3 awards so we encourage that you nominate them for each category they qualify for. Also don't get discouraged if your nominee doesn't win this year because these prestigious awards are presented each year to make sure candidates are recognized for their hard work.
