

Join us for a Fly-in Flight Review

Could you benefit from a refresher on flight regulations?

Do you have a flight review coming up?

Want to spend a day aviating and brushing up on the part 91 details with your fellow pilots?

Would you like to fly to lunch together afterwards?

Join us on **June 25** (Sat.) at **VA02**, Pace Airport

10:00 – 12:00: **Flight Review Part 91 session** will begin at 10:00 and run until 12:00.

12:00: Fly, or drive, to KMTV (Blue Ridge Airport) for **lunch** at Simply Suzanne's

There is no charge for the Part 91 Flight Review Session.

Drive or fly in. Bring a flight instructor, safety pilot or a guest to enjoy a fun refresher in the company of other pilots.

Bring your logbook if you would like a sign-off for the ground session.

In one fun-filled day you can fly into a grass strip, complete the ground session required for a flight review, fly to lunch, and have three take-offs and landings for your daytime currency.

See you on the 25th.
