

# John R. Lillard Foundation, Inc. Aviation Scholarship Program

September 2020

**Dear Prospective Scholarship Applicant,**

On behalf of the Virginia Airport Operators Council (VAOC), we would like to express our appreciation for your interest in the John R. Lillard Foundation Aviation Scholarship Program. There are two scholarships available through the Foundation—John R. Lillard and Kenneth R. Scott.

The John R. Lillard Scholarship is named in honor of a friend, aviation enthusiast and great humanitarian. Through his leadership positions with the Capital Region Airport Commission (which operates Richmond International Airport), Chesterfield County Airport, and Eastern Airlines, John always displayed a zeal and thirst for life, aviation, family and friends. Because of his great spirit, we seek to share and commemorate his unique and special gifts with others. It is also through the kind and generous support of many of the members of the VAOC that this scholarship program is available to assist future aviation leaders as well as honor John.

The Kenneth R. Scott Scholarship is named in honor of the many contributions that Ken made to the advancement of airport management in the Commonwealth of Virginia. His career spanned 39 years with the Norfolk Airport Authority; 37 of these years were as Executive Director. Ken's positive influence and energy spans beyond the greater Hampton Roads region of Virginia as Ken was instrumental in forming the VAOC, an industry group providing support to all airport operators in Virginia. Ken was extremely passionate about aviation training and education.

In order for your application to be considered, you must be a Virginia high school senior, have at least a 3.50 unweighted GPA; be planning a career in the field of aviation, and must be enrolled or accepted into an aviation related program at an accredited college.
