Part 2: Waiver Request

The *Virginia Administrative Code*, 24VAC5-20-145 Waiver of minimum requirements, provides that the Virginia Aviation Board may waive the compliance of requirements of 24VAC5-20-140 for an airport upon an application by an airport sponsor. Considerations for granting the waiver shall be limited to (i) a determination of no hazard based on a Federal Aviation Administration (FAA) airspace evaluation and implementation of mitigation recommendations if applicable, (ii) a determination of impracticality due to topography, or (iii) a benefit cost analysis proving improvements as financially unfeasible.

In the space below, please identify the requirement(s) for which a waiver is being requested and clearly explain why the requirement(s) cannot be met. Supporting information, such as FAA documentation or a cost analysis, must be provided with the application.
